Harrisville New Hampshire

Annual Reports
for the year ending December 31, 1998

The cover illustrations are partial reprints of Plans of the Cheshire Mills, from the Associated Mutual Insurance Company, provided by John J. Colony Jr. and Historic Harrisville, Inc. Filtrine purchased the Cheshire Mills complex in 1971; that firm is currently relocating to Keene, and Historic Harrisville Inc. is in the process of buying the buildings.

The front cover Plan is dated 1924. Note several outbuildings that no longer exist, the 2 tall brick chimneys, and the water tower at the end of the 1922 addition. Note also the rope and powerhouse for the Mill; the used ropes were later used for the Tolman's rope tow in Nelson.

The back cover Plan is dated 1892. Note the dormers, no longer there, on the Harris Boarding House; the large wooden boarding house on Kadakat Street; the 3-story "free-fall" outhouse on the side of the Granite Mill; the storage shed, known as "Hazel Dell," behind what is now the Weaving Center, and the "Arcade," a wooden boarding house below the Granite Mill.

Both views are from the Archives of Historic Harrisville, which would be glad to have or copy old photographs you may have. Historic Harrisville, Inc., PO Box 79, Harrisville NH , 03450.

TOWN TREASURER - One Year
 Declared re-elected: Constance Boyd - 225
 Sabrina McClure (write-in) 2
 Mary Armstrong (write-in) 1
 Leslie Downing (write-in) 1

ARTICLE 2. Are you in favor of the adoption of Amendment #1 as proposed by the Planning Board for the Harrisville Zoning Ordinance as follows:

To create an overlay district for Wireless Communication Facilities (defined as "A structure consisting of supporting members and a device or devices for the reception or transmission of radio waves."), including application requirements and special exception criteria for the Board of Adjustment; and to renumber the Zoning Ordinance accordingly.

The effect of the proposed amendment would be to designate the area between Dublin Road (formerly New Harrisville Road), Willard Hill Road, Twitchell Road (formerly Venable Road) and Mason Road (formerly Old Harrisville Road), bounded on the south by the Dublin Town Line as the Overlay District, in which Wireless Communication Facilities would be permitted by Special Exception of the Board of Adjustment. Any approval for other areas of Town would require a variance.

The applicant must demonstrate that the facility is necessary; accommodations must be made for multiple providers; and all efforts must be made to cause the facility to have the least possible visual impact. The Board of Adjustment will determine that all precautions have been taken to eliminate any threat from the structure(s); that there will be no impact on telecommunications system of abutters; and that lighting impacts will be minimal.

Vote by Official Ballot - PASSED 164-YES 65-NO

Are you in favor of the adoption of Amendment #2 as proposed by the Planning Board for the Harrisville Zoning Ordinance as follows:

To readopt Article XIV, Growth Management Ordinance.
 Vote by official Ballot - PASSED 164-YES 63-NO
 ARTICLE 3. To see if the Town will vote to raise and

appropriate the sum of \$55,000.00 for closure of the Landfill, and to authorize the withdrawal of \$30,000.00 from the Landfill Closure Capital Reserve Fund for this purpose; with the balance of \$25,000.00 to be raised by general taxation. (Majority Vote Required)

(Recommended by the Selectmen)

Moved by Alton Chamberlain, seconded by Alan Laufman;
PASSED voice vote

ARTICLE 4. To see if the Town will vote to raise and appropriate the sum of \$30,000.00 for the purpose of maintenance and emergency expenditures for the Landfill.

(Recommended by the Selectmen)

Moved by Alton Chamberlain, seconded by Alan Laufman
PASSED - voice vote

ARTICLE 5. Town Office Bldgs.-	5,000.00,	
Town Bridges	-	5,000.00,
Recreational Land	-	15,000.00,
Dam	-	500.00. (RSA 35:1)

(Recommended by the Selectmen)

Moved by Pete Pitsas, seconded by Alan Laufman

PASSED - voice vote

ARTICLE 14. To see if the Town will vote to authorize the Selectmen to enter into agreement with the Southwest Region Planning Commission and other state agencies, when money becomes available for feasibility studies, grants, and agreements in the best interest of the town.

Moved by Alan Laufman, seconded by Pete Pitsas

PASSED - voice vote

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to apply toward a feasibility study for elderly housing development, to be spent only if such a grant should be awarded to the Town, for the same purpose.

(Recommended by the Selectmen)

Moved by Mrs. Chamberlain, seconded by Alan Laufman
PASSED - voice vote

ARTICLE 16. To see if the Town will vote to establish a three member Board of Cemetery Trustees, elected as set forth in RSA 289:6(I) and with duties as set forth in RSA 289:7; and further to abolish the position of an elected Cemetery Agent.

Moved by Alton Chamberlain, seconded by Alan Laufman
PASSED - voice vote

ARTICLE 17. To see if the Town will vote to require permits for the installation of all wells and to authorize the Board of Selectmen to issue permits for this purpose.

Moved by Alton Chamberlain, seconded (by unknown)
FAILED TO PASS - voice vote

ARTICLE 18. To see if the Town will vote to authorize the Board of Selectmen to accept on behalf of the Town gifts, legacies and devises made to the Town in trust for any public purpose, as permitted by RSA 31:19.

Moved by Pete Pitsas, seconded by Alan Laufman
PASSED - voice vote

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of \$511,400.00 which represents the operating budget. Said sum does not include special articles addressed.

Motion was made by Hollis Parker at 8:30 PM to close the Polls, seconded by Alan Laufman School's too.

PASSED by Voice vote

8:55 PM Moderator announced recess to count ballots

10:00 PM Results of elected ballot results were announced - results are shown under Article #1.

Respectfully submitted,

LESLIE C. VOIERS

Leslie Voiers, Acting Town Clerk

Because of the sudden resignation for family reasons, Town Clerk, Ms. Sabrina McClure was unable to complete this report.

Notes were composed from audio tapes, ballot clerk tabulations and hand written notes taken at the meeting by Sabrina McClure, Town Clerk.

A true copy of Warrant - ATTEST

LESLIE VOIERS, Deputy Town Clerk / Acting Town Clerk as of March 26th, 1998.

TOWN WARRANT

The State of New Hampshire

The polls will be open from 11:00 AM to 8:00 PM.

To the inhabitants of the Town of Harrisville in the county of Cheshire in said State, qualified to vote in Town affairs:

You are hereby notified to meet at Wells Memorial School in said Harrisville on Tuesday, the ninth day of March, nineteen hundred ninety-nine, at seven of the clock in the afternoon to act upon the following subjects:

ARTICLE 1. To choose all necessary Town Officers for the year ensuing.

ARTICLE 2. Are you in favor of the adoption of Amendment #1 as proposed by the Planning Board for the Harrisville Zoning Ordinance as follows:

To readopt Article XIV, Growth Management Ordinance.

Are you in favor of the adoption of Amendment #2 as proposed by the Planning Board for the Harrisville Zoning Ordinance as follows:

To amend the Sign Ordinance (Article XVII) by clarifying 1.) That the front setback for a sign is from the edge of the traveled section of the road; and 2.) that the allowable six (6) square feet for a sign in the Residential/Agricultural District is a total area for all signs on the property.

Are you in favor of the adoption of Amendment #3 as proposed by the Planning Board for the Harrisville Zoning Ordinance as follows:

To amend the paragraph 17.1.9 of the Sign Ordinance (Article XVII) to read "Signs pertaining to the lease or sale of a lot or building shall not exceed a total area of six (6) square feet."

Are you in favor of the adoption of Amendment #4 as proposed by the Planning Board for the Harrisville Zoning Ordinance as follows:

To add new paragraphs 17.1.10, 11 & 12 to the Sign Ordinance (Article XVII) that would require: 1.) written permission from the Selectmen to post signs on Town property; 2.) permission from the landowner when a sign is posted off-premise; and 3.) that signs within a public right-of-way be self-supporting.

Are you in favor of the adoption of Amendment #5 as proposed by the Planning Board for the Harrisville Zoning Ordinance as follows:

To add to Article XXVI a definition for Billboards: A sign of an area greater than thirty (30) square feet.
(Vote by official ballot.)

ARTICLE 3. To see if the Town will vote to raise and appropriate the sum of \$30,000.00 for the purpose of maintenance and emergency expenditures for the Landfill.
(Recommended by the Selectmen.)

ARTICLE 4. To see if the Town will vote to raise and appropriate the sum of \$995.00 in support of Monadnock Family Services.
(Recommended by Selectmen.)

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of of \$2,000.00 in support of the services of Home Health Care and Community Services, with \$500.00 going immediately for membership fee and the rest paid is it is used.
(Recommended by Selectmen.)

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of \$1,118.00 as the Town's share for the studies and operations of the Southwestern New Hampshire Regional Planning Commission.
(Recommended by Selectmen.)

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the support of the Grand Monadnock Arts Council.
(Recommended by Selectmen.)

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the support of Camp Holiday.
(Recommended by Selectmen.)

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$1,175.00 for the support of The Community Kitchen.
(Recommended by Selectmen.)

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the support of Southwestern Community Services, Inc.
(Recommended by Selectmen.)

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of \$200.00 for the support of The Samaritans of the Monadnock Region.
(Recommended by Selectmen.)

ARTICLE 12. To see if the Town will vote to accept from the Harrisville Fire Company the gift of the 1988 Humvee.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$20,000.00 for the purchase of a forklift for the Recycling Center, furthermore, to authorize the Selectmen to sell the old forklift.
(Recommended by Selectmen.)

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$20,000.00 for the purchase of approximately 4.6 acres of land adjacent to the Town Spring.
(Recommended by Selectmen.)

ARTICLE 15. To see if the Town will vote to authorize the Selectmen to sell the glass crusher, formerly used at the Recycling Center.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of \$30,000.00 for repair of the foundation of the Harrisville Public Library and to authorize the withdrawal of \$30,000.00 from the Library Foundation Capital Reserve Fund. This is to be a non-lapsing fund.
(Recommended by Selectmen.)

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of \$75,000.00 for Capital Reserve to be allocated as follows:

Highway Equipment	-	15,000.00,	
Fire Equipment	-	15,000.00,	
Police Cruiser	-	2,500.00,	
Reappraisal	-	2,000.00,	
Library Foundation	-	15,000.00,	
Town Bridges	-	5,000.00,	
Recreational Land	-	15,000.00,	
Town Office Bldgs.	-	5,000.00,	
Dam	-	500.00.	(RSA 35:1)

(Recommended by Selectmen.)

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be placed in a Capital Reserve Fund and to be added to in subsequent years by vote of the Town. Purpose of the fund would be to defray the cost of purchasing equipment for the Recycling Center.
(Recommended by Selectmen.)

ARTICLE 19. To see if the Town will vote to discontinue a portion of the Class VI Old Roxbury Road, also known as Monadnock Road, said discontinuance to be in conjunction with the formal layout by the Selectmen of the highway which has, in fact, been used as the Class VI roadway for more than seventy-five years. The portion of the road to be discontinued is all of the old roadway immediately south of the house and buildings formerly owned by the Wellington Wells family and including all of the roadway northerly of

the section actually used by the public, which section is shown on a plan, entitled "Boundary Line Adjustment and Minor Three Lot Subdivision", prepared for the Estate of Wellington Wells, Jr., on Sunset Hill Road and Old Roxbury Road, prepared by John E. Doughty of SVE Associates, dated October 30, 1998 and approved by the Harrisville Planning Board on January 13, 1999 and recorded at the Cheshire County Registry of Deeds on January 14, 1999 at Cabinet 12, Drawer 3-184.

ARTICLE 20. To see if the Town will vote to authorize the Selectmen to ask the Town's Representative to the State Legislature to propose a bill requesting the State to take over ownership of the Russell Reservoir Dam.

ARTICLE 21. To see if the Town will vote to authorize the Board of Selectmen to accept on behalf of the Town, gifts, legacies and devices made to the Town in trust for any public purpose, as permitted by RSA 31:19.

ARTICLE 22. To see if the Town will vote to raise and appropriate the sum of \$526,888.00 which represents the operating budget. Said sum does not include special articles addressed.

(Recommended by Selectmen)

ARTICLE 23. To hear reports of Agents, Committees, and Officers chosen and pass any vote related thereto.

ARTICLE 24. To transact any other business that may legally come before this meeting.

Given under our hands and seal this twenty-second day of February in the year of our Lord, Nineteen hundred ninety-nine

Certified Public Accountants

February 10, 1999

To the Board of Selectmen
Town of Harrisville, New Hampshire

We have audited the general purpose financial statements of the Town of Harrisville, New Hampshire as of and for the year ended December 31, 1998, and have issued our report thereon dated February 10, 1999.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement.

The management of the Town of Harrisville, New Hampshire is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objectives of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

In planning and performing our audit of the general purpose financial statements of the Town of Harrisville, New Hampshire for the year ended December 31, 1998, we obtained an understanding of the internal control structure. With respect to the internal control structure, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk in order to determine our auditing procedures for the purpose of expressing our opinion on the general purpose financial statements and not to provide an opinion on the internal control structure. Accordingly, we do not express such an opinion.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control structure and its operation that we consider to be material weaknesses as defined above.

This report is intended for the information of management and the Board of Selectmen. However, this report is a matter of public record, and its distribution is not limited.

OFFICE OF SELECTMEN

At last, work on the "Interim Closure" of the Landfill is nearly complete. We are required by law to set aside money each year for monitoring the wells and any emergency expenditures, but other than that, for the first time in many years we are not asking for any appropriation for landfill closure. As always, we need to remember that what used to go into the landfill, now gets hauled away at considerable expense, so the more we recycle, the less will have to be taken away, and the fewer taxpayer dollars we will have to spend.

The Enhanced 9-1-1 system, delayed for a number of reasons beyond our control, is now in place. We will soon be sending out a packet to all property owners with information about the new numbers and new street names.

We note the decision of Filtrine to relocate to Keene; its departure marks the end of an era. Historic Harrisville Inc. has raised the necessary money to buy the property, and the availability of all that space offers challenging possibilities for new uses of the property.

Harrisville is very fortunate in its Town employees and volunteer members of Town boards and commissions. We acknowledge with profound gratitude their commitment, their involvement, and their selfless service to the Town, which contributes so much to making Harrisville a wonderful place to come home to.

LONG TERM NOTES

The Town of Harrisville was obligated for a \$30,000.00 note, payable in 1998. A line of credit, for a like amount, was established to allow for another note in 1999. Both of these obligations are with Granite Bank for the purpose of the Landfill Closure. The Town will also be committed for a total of \$60,000.00, with half due in each of 2000 and 2001.

TOWN CLERK'S REPORT

Within a few weeks after being elected the Town Clerk, Sabrina McClure resigned and moved with her family to Georgia. I have been serving as the Town Clerk for the remainder of the term. This fall, with the approval of the Selectmen, Larry Stapleton was appointed to serve as the Deputy Town Clerk. He is a pleasure to work with. Please welcome him as you come in to the Town Clerk's Office. Maurice Barrett, a long time summer resident, has been working with us as a Municipal Agent and will continue until the new Deputy Town Clerk becomes certified.

In 1998 there were 1244 vehicle permit fees processed (renewals, transfers and new registrations) netting \$99,945.00. This is an increase of \$13,437.00 (15.5%) over 1997 although there were 6 fewer transactions. Additionally, we collected \$2,885.00 for fees (title filing fees (\$338.00), Municipal Agent fees (\$2,346.00) and the no current registration charges (\$209.00) bringing the total vehicle monies to \$102,830.00.

Forty-seven boats were registered, compared to 41 in 1997, creating \$395.91 in revenues for the town portion of boat registrations.

Dog licenses were issued to 227 dog owners compared to 236 in 1997. Veterinarians continue to keep us abreast of all rabies vaccinations given to dogs. A total of 33 animals were inoculated by Dr. Harwood during the Rabies Clinic held March 28, 1998.

The 24 UCC related filings, including releases and searches, reflects a dramatic increase of more than twice the UCC filings of 1997. The UCC's gave the Town \$469.25 in revenues. Other Town Clerk transactions included filing 3 Dredge and Fill applications, 1 Pole License and 3 Burial Permits.

In the Vital Statistics section we recorded 2 births, 7 deaths and 14 marriages for our town residents. Additionally, we processed a number of requests for certified copies for birth, death and marriage certificates. Many of these requests were for genealogical purposes.

It was a busy year for marriage licenses having issued 16 whereas in 1997 only 5 were issued. These licenses yielded \$112.00 for the Town. The change in the law allowing NH residents to file licenses in any town they choose may be a reason for the increase. Previously, one had to file in the town in which one of the intended marriage partners resided. Out-of-staters getting married in NH, however, still must file in the town where they intend to get married.

All in all, the Town Clerks handled a total of \$106,322.31 (not including state monies) for all of the transactions done within the Town Clerk's office. This is a 14.13% increase over 1997.

Respectfully submitted, Leslie Voiers

POLICE DEPARTMENT

1998 was a busy year for the Police Department. Our calls for service totaled 278. We had 39 case reports that broke down into 4 burglaries, 31 thefts, and 4 miscellaneous. We had 15 motor vehicle accidents and received an average of 15 phone calls per week. We were able to solve 95% of the crimes reported to us. That is a figure of which that I am especially proud

Officer Eric Hood and I attended the New Hampshire Police Academy in Concord for training and the required re-training. Officer Hood became a certified D.A.R.E. Instructor and has introduced this program into Wells Memorial School. This is the first time that this program has been taught by a Harrisville Officer. I feel that this program will prove to be a very valuable asset to the Town and to the youths at the School.

I have been working with Selectman Alton Chamberlain on the 911 project and we are starting to see a small light at the end of the tunnel. Hopefully by Town Meeting, we will be up and running.

We will continue to do directed radar patrols in the upcoming year. There are still some areas in which we need to work on slowing traffic down.

We have been added to the town of Hancock's mutual aid pact; they are also on ours. We have a good working relationship with our mutual aid towns of Marlborough, Dublin, and Hancock and it's good to know that help is only one town away.

I would like to thank Officer Hood for the job he has done for the Town and the Department. He works a limited number of hours, but we're always able to track him down by phone or by pager when needed. I would also like to thank the Highway Department. Its quick response to situations averts a lot of serious problems. A thank you also to the Selectmen and other Town employees.

I look forward to serving the Town of Harrisville in 1999.

Thank you.
Sgt. Russell J. Driscoll

FIRE DEPARTMENT REPORT - 1998

Once again this year your fire department personnel were extremely busy, answering a total of 92 calls. As the statistics reveal, the responses continue to involve a wide variety of types of emergencies. Within the Fire Service there is now a popular slogan, "IT AIN'T JUST ABOUT PUTTING OUT FIRES ANYMORE"! By way of interest, just ten years ago our response figure stood at only 66! The good news is that there was a very minimal dollar fire loss - and NO injuries or fatalities!

From my standpoint two events seem worthy of special mention. First, the severely paralyzing ice storm early in January, and the equally complex and technically demanding hazardous material incident on June 13th at Filtrine Manufacturing. The historic crippling ice storm required round-the-clock station coverage for the five day period. During that time we organized into small task force response teams, which were assigned to individual requests for help from townspeople, the Police department and Highway crews. Our log indicates a total of 25 calls were handled, as well as general assistance provided to the Police and Highway departments. The combined Fire-Police-Highway Radio Network was especially effective during the power outage, and the overall inter-departmental cooperation exhibited was the key to successfully meeting the challenges faced. Dealing with the unknown is always a scary experience, and the Hazardous Materials incident at Filtrine was no exception! Thanks to our own in-house training programs, the use of the Incident Command System - and the invaluable Mutual Aid assistance from the Keene Fire Department Haz-Mat Team, we were able to bring the situation to a satisfactory conclusion.

Let me also share some information regarding equipment, personnel - and budget. The new Hum-Vec Brush Truck purchased and updated by the Fire Company, was ready for the Fall brush fire season. It will be formally presented to the Department at Town meeting. With this acquisition, we are now at full strength in regard to our "rolling stock" - and will continue to plan for future replacements through the long-range planning process.

During the year we lost one member, but fortunately added three new ones who have successfully completed our department 30-hour basic training course, have been properly equipped with protective turn-out gear, and are awaiting assignment to a State accredited Fire Fighter I Course. WE STILL HAVE A NEED FOR MORE PEOPLE TO STEP FORWARD AND JOIN THE DEPARTMENT!

In addition to the new members protective gear, we have also been able to maintain our basic fire and rescue supply needs, meet the usual operating costs (heat, lights, telephone, radio repair, building upkeep, etc.) and make a few year-end equipment purchases - including a new computer which we hope will go into service when the 911 System is operational. I'm also proud to note that we were able to turn back a small unused amount of our allocated budget!

In closing, these final few notes of interest:

- - - Under the leadership of Capt. Wayne Derosia, we continue to work effectively with Wells Memorial School children in the matter of FIRE PREVENTION.
- - - Our emergency medical calls for the year were significantly lower as compared to the past five years, but the number of fire calls was conversely much higher.
- - - It is my sincere hope that most of you are aware of - and grateful for - the uncountable hours of VOLUNTEER WORK that our members do around the station, and in keeping our equipment up to date. It would be cost prohibitive if the time was on a paid basis! One such project worthy of mention (and your stop-by inspection -) is the new turn-out gear rack installed along the west wall of the apparatus bay.
- - - For those who financially supported the Fire Company Generator project, you should know the project was completed this fall AT NO COST TO THE TOWN! It is an LPG powered 11KW commercial grade Kohler unit, which has been professionally connected directly into our existing electrical system. It is designed to AUTOMATICALLY ACTIVATE UPON THE LOSS OF REGULAR POWER, and we should now be able to utilize the station as an Emergency Command Post and Operation's Center at any time.

At this point I would like to let everyone know that because of my heavy work load in the Police Department and as Town Emergency Management Director, I will not be running again this year for Fire Chief. However, I am personally pleased that former Chief Randy Duffy has agreed to run - and I enthusiastically endorse him! His 26 years as a department member (nine of them as Chief) make him a well qualified choice. I have indicated to him that I will stay on the department in any capacity he desires.

Finally, I would like to extend my personal thanks to my fellow officers and department members, the town administrators, Police and Highway personnel - and all of you who continue to lend financial or moral support to our efforts.

Russell "Buddy" Driscoll
Chief

1998 RESPONSES - WITH TWO YEAR COMPARISONS

	<u>1998</u>	<u>1997</u>	<u>1996</u>

HIGHWAY REPORT

I think we all will remember the ice storm of 1998 and the mess it left behind. Many were without electric power for seven to ten days and there were dangerous conditions for everyone. The Highway, Police and Fire Departments had some long days and nights keeping up with everything.

Then came Mud Season. It was the worst one in a long time.

The Highway crew, with the help of Pete Pitsas, made improvements to the boat landing at Silver Lake.

The Summer was spent at the Landfill, with the laying of pipe and widening of the stream channel on the west side. I hope that the Landfill Closure is behind us now. Hopefully, the Department can spend more time working on road projects next Summer.

Tarring was done in the late Fall. Roads covered were the Tolman Pond Road, Prospect Street, Willard Hill, and the Hancock Road.

Thanks to all Departments and the Selectmen's Office for their help over this past year.

Respectfully submitted,
Wesley Tarr, Road Foreman

TOWN OFFICE STAFF

Holding the elections in the Town Office Meeting Room has given more people an opportunity to get acquainted with the staff and the building, if they hadn't already done so. It made it possible for folks to see the "Moses Eaton" stenciling done by Jane Kronheim. There's more to be done. Jane encourages you to come and watch her as she works her magic.

We continue in our patterns and routines: year-end financial preparation, Town Report and Town Meeting, assessment updates, tax bills, property inventories, weekly payroll and bill paying, and building permit processing. An additional item this year was preparing a grant application for the expenses of the Landfill Closure.

If you need help with assessment records, Town or State forms, whatever, please feel free to call us. We are here to help you.

Constance S. Boyd
Laura A. Trudelle

REPORT ON THE CONSERVATION COMMISSION

The Commission responded to its responsibilities as a review board for citizen applications for growth permits, dredge and fill, sand and gravel excavation, timbering and other matters related to wetlands use issues. With some exceptions, these matters were reviewed without comment.

The Commission did encounter some difficult site dredging and wetlands violations complaint situations. Communications with the Wetlands Bureau are still on-going in these matters. We have volunteered our services to the property owners involved to aid them in resolving these matters. The Commission is confident that both the community and the property owners will be served by these efforts.

Land conservation and protection of our water resources has become a significant addition in our activities planning. Close association with the Green Space and Water Quality Committee, formed from the Future Search efforts, has added new skills and greater energy to the combined groups. Our initial project to identify all of the vital land resources in Harrisville led to a number of special projects and some notable achievements.

People working on the land profiles helped us to see the need for protecting the land above the Skatutakee Spring. Fortunately, the Selectmen and others were well aware of the potential for contamination if adjacent properties were developed. We have informed the Selectmen of our recommendations for a program of land or easement acquisition. Communications with other administrative bodies and citizen groups on this matter has helped seed this as a major project for wide spread community support.

We are proud that two of our members of this combined land protection group, Anne Howe and Peter Allen, have donated easements on over 150 acres of primary recreation and scenic land within Harrisville.

Respectfully submitted: R. Duke Powell, Chairman with Deborah Abbott, Peter Allen, Eric Anderson, Edie Clark, Hal Grant, Marcia Hewett, Alesia Maltz, Bob Wood, and Pete Pitsas, Selectman representative.

HISTORIC DISTRICT COMMISSION

Another year has passed.....

No major historical structures were demolished,
No Art Deco additions were added to 19th century
structures, and

McDonald's promises not to build on the site of Filtrine.

We can approach the next millennium more or less intact.

Thanks to my fellow committee members Don, Alton, Joan, John,
Gerry, Pete and Belinda - it's been a pleasure.

Patricia Cotter-Englert, Chair

HARRISVILLE PUBLIC LIBRARY

Our Holiday Craft Program continues to be a popular feature. Patrons made holiday decorations, Valentines and May baskets. We hope to add a few more activities in 1999. We are still in need of new ideas for the Summer Reading Program. Please feel free to suggest themes.

We were pleased to showcase the varied works of multi-talented artist, Jane Kronheim. Yes, she's the same lady who applied the stencilling to the walls of the Town Office Building. If you have a craft or hobby collection, we would be delighted to display your things at the Library.

Our Annual Book Sale was a huge success. Do keep next year's sale in mind. We will be "thinning" the non-fiction collection and placing those books into the sale. You might find some of your favorites gardening, cooking, or craft books on the "for sale" table. With the then available space and the new bookcases purchased this year, we will have shelf space for all of the titles in the Library collection.

The Library now has 5379 volumes in its collection. The Video selection has grown to 270 titles. Approximately 15 magazines subscriptions are available for your reading pleasure. The Peterborough Library continues to supply us with long-term loans of fiction (70) and several special request titles (20). Through the State Inter-Library Loan System, we borrowed an additional 12 titles. Circulation for the year was 8123. Unfortunately, that is a decrease from the 1997 circulation figure. Internet access is a definite addition in the upcoming year.

We would like to thank all of those wonderful people who help out at the Library. And thank you to all of you for your support.

Harrisville Planning Board

The Planning Board considered a number of routine sub-divisions over the course of the past year, all of which fell into the technical (lot line adjustment and annexation) or minor (3 lots or less) sub-division categories. The Board also developed a new sign ordinance which will be on the Town Warrant in March 1999, along with the annual submission of the Growth Management Ordinance, which must be voted on at each Town Meeting.

Beginning in the fall of 1998, the Board entered into a contract with the Southwest Regional Planning Commission to up-date the Harrisville Master Plan and the Capital Improvement Plan. Both of these are statutory requirements, though it does make sense to routinely up-date these documents in order to provide a framework by which the Town can plan its land use activities into the future.

The Master Plan will attempt to integrate into the planning section of the document all of the goals and efforts of the *Future Search* which was held in November 1997. Part of the goal of the *Future Search*, from the Board's perspective, was to get a significant amount of public input that could be integrated into the Master Plan. Besides providing a great deal of data regarding demographic trends in Harrisville over the past several years, the Master Plan becomes the basis for all the zoning ordinances in the Town of Harrisville. As part of the master planning process, the Board will be assessing the existing zoning ordinances to determine their compatibility with the goals set forth in the Master Plan.

In addition to the Master Plan document, the Board is also considering a number of computer generated maps, which provide a visual representation for significant amounts of data that are available to the Town. The process being used for creation of the maps is known as Geographic Information Systems or GIS for short. The board is able to look at vast amounts of tabulated data in a visual format, and to overlay different "layers" of data onto a map of the Town. Very quickly we can see potential problem areas for the community, and using the information and public input we can develop appropriate strategies for addressing potential problems. A set of the maps will be available for inspection at the Town Office for all Town boards and the public, as well.

We welcome public input and participation in this process at any of our regularly scheduled meetings (2nd Wednesday of the month, or at our work sessions on the 4th Wednesday of the month). Please check the public notices in the Post Office for scheduled times and locations.

Another aspect of the Master Plan that the Board is particularly excited about is a first-of-its-kind effort to summarize the plan into a series of five or six large visual posters that can be permanently displayed to the public in the Town Office. Using the versatility of the GIS system in combination with digital photography and graphics software, we hope to "boil down" the document into easily understood visual and graphic representations of the elements of the Master Plan. The objective of this part of the project is to help make an otherwise stale document more available and understandable to residents. The New Hampshire Office of State Planning, which is very interested in this pilot project, will financially support part of this phase of the Master Planning effort.

Also in the past year, the Planning Board again sponsored the 6-month and 12-month gatherings of the *Future Search*. These events proved to be a significant way for the community to come together periodically to celebrate the wonderful and extensive work that is being done on the various action plans created at the initial *Future Search*. The gatherings are also proving to be an important way for residents to convene and have meaningful and constructive discussions about new issues that come before the community. We are indebted to Ray and Kathy Bollerud for their leadership and abiding commitment to this process.

Planning Board *continued*

The Planning Board has budgeted again this year for 2 more *Future Search* 6-month reunions, based largely on the very positive response to the process from participants and the community at large. We hope that all residents of Harrisville will continue to participate in and support this very positive community building process by endorsing the Planning Board's budget request at Town Meeting in March.

Finally, we wish to acknowledge that Barbara Watkins, who has served on the Planning Board for the past six years, is stepping down. She conscientiously served the Town for many years, including her important work as a member and Chairman of the Conservation Commission. Her knowledge of and concerns for the Town will be sorely missed, and serve as an inspiration for all of us.

Respectfully submitted,

John C. Calhoun, *Chairman*

Cemetery Trustees Report

At the March 1998 Town Meeting a three member Board of Cemetery Trustees was established. In our first year we, the Trustees, worked on putting into place a set of regulations and selected a Superintendent. Beyond normal grounds-keeping chores, the tomb facing in Island Cemetery was repaired, thanks to the town road crew, and cleanup of summer storm damage in Riverside was done.

This year we expect to put more attention on individual lot marking, creation of special areas for cremation lots, and improvements to roadways and fences.

Respectfully submitted,
Lawrence Rathburn, Superintendent
Max Boyd
Richard Upton

Zoning Board Of Adjustment 1998

When I went to my first meeting of the Zoning Board(as a member) I had no idea what to expect, as I had never even gone to a ZBA meeting in the past. One day when I was getting my mail (the best place to chat is the post office) I was asked by our selectman Alan Laufman. if I would be interested in serving on the Board. I must have been in a good mood that day and said yes. Well, I must say I am truly glad that I did. This past year has been an experience that has been informative, sometimes exciting, and always a pleasure. We have had 10 different items come before the board in 1998 all of which have been different issues, and all challenging. From decks to expansions, to sheds, to additions and even demolition, I never shed a tear of fear!

Since my joining the board I have seen our former chairman Bill Robinson move from town ,(I personally want to say thank Bill for his help and guidance), and two new members join our efforts, Randy Duffy and Jay Jacobs. We (the board) are always looking for a "*few good men*" to join these efforts and help our community. If I can go from a real novice to the chairperson of the ZBA then anyone willing can become a member. We have had training sessions in the past and will be having ongoing training session, for all our members in the future.

So *fear not* there is help in making these serious decisions.

I wish to thank our secretary Belinda Thayer who has been there for me whenever I had questions or concerns, as well as the sitting board of Pete Pitsas, Pat Colony, Larry Rathburn, Randy Duffy, Jay Jacobs and Al Chamberlin (selectman alternate) for their support and concern for our great town of Harrisville.

Respectfully submitted,

Pat McCarthy, Chairperson

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are ten Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. State Forest Rangers are available to assist communities with forest fire suppression, prevention and training programs as well as the enforcement of forest fire and timber harvest laws. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. Early in 1998 we experienced an ice storm, which caused severe damage to forests of New Hampshire. This damage created a greater potential fire hazard as well as safety hazards to many areas of the state. Your local fire warden and Forest Rangers need your assistance in preventing wildfires in these hard hit areas and throughout the State. If you need assistance or information dealing with ice damaged woodlands, please call 1-800-444-8978.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

Southwest Region Planning Commission
20 Central Square, Second Floor Keene, NH 03431 603-357-0557 FAX 357-7440

January, 1999

Ms. Constance Boyd, Administrative Assistant
Town Offices
PO Box 34
Harrisville, NH 03450

Dear Ms. Boyd:

Please accept this letter as a general report of activities of the Southwest Region Planning Commission over the past year.

The Planning Commission, with a service area covering 35 municipalities in Cheshire and Hillsborough Counties, is one of New Hampshire's nine regional planning agencies established by RSA 36. We continue to provide planning-related assistance to member communities and to represent the Southwest Region in state and federal programs. Our diverse work program covers activities such as local planning assistance, regional information systems & mapping, transportation planning, community & economic development, and natural resources planning. We are funded through multiple sources including local dues contributed by member municipalities. For every dollar of local dues, the Commission's operating budget includes nearly six additional dollars to assist in meeting the needs of the Region and its municipal members. These additional funds are provided in the form of various federal, state and local grants and contracts. These resources provide the Commission the ability to assemble a professional staff which member municipalities have direct access to.

Highlights of Commission activities for the past year include:

- an addition to our transportation planning program by adding a transit planning component,
- expanded community development activities through several successful grant applications under the State's CDBG program,
- participated in the Future Search planning exercise, including providing assistance to the Elderly Housing Committee,
- sponsored training forums on community visioning, communication tower siting, GIS, incorporating open space in new subdivisions, the NH Community Development Investment Program, etc.,
- conducted outreach in identification of local natural and cultural resource protection priorities.

We continue to be available to assist you in your planning related activities - please don't hesitate to contact us if you have a project you would like to discuss. Thank you for your continued support of the Commission. We look forward to working with you over the coming year.

Sincerely,

Timothy P. Murphy
Executive Director

HOME HEALTHCARE, HOSPICE AND COMMUNITY SERVICES
REPORT TO THE TOWN OF HARRISVILLE
JANUARY 1, 1998 TO DECEMBER 31, 1998

ANNUAL REPORT

In 1998, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Harrisville. The following information represents a projection of HCS's activities in your community in 1998. The projection is based on actual services provided from January through September 1998 and an estimate of usage during October, November and December.

SERVICE REPORT

<u>SERVICES OFFERED</u>	<u>SERVICES PROVIDED</u>
Nursing	108 Visits
Physical Therapy	1 Visit
Speech Pathology	0 Visits
Occupational Therapy	0 Visits
Medical Social Work	0 Visits
Outreach	5 Visits
Home Health Aide	131 Visits
Homemaker	0 Hours
Adult In-Home Care	140 Hours

Unduplicated Residents Served: 14

Regularly scheduled wellness clinics, child health clinics, prenatal and hospice care are also available to residents. Town funding partially supports these services.

FINANCIAL REPORT

The actual cost of all services provided in 1998 with all funding sources is projected to be \$15,528.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by the town appropriation in the amount of \$500.00 in 1998.

For 1999, we request an appropriation of \$3,000.00 continue to be available if needed for home care services.

Thank you for your consideration.

January 26, 1999

Town of Harrisville
P.O. Box 34
Harrisville, NH 03450-0034

Dear Citizens of Harrisville:

Thank you for your community support and the most gracious donation of \$500.00. We have had a busy year with our Arts for Special Audiences programs, the fall Arts in the School production and now preparing for our spring Artwalk in May. Your contribution will be applied to the Arts in the School and Artwalk program which students from Harrisville participate in. We feel it is extremely important that throughout the school year we have programs that will bring visiting artists and performances into the classroom.

Highlights of our programs

Arts For Special Audiences brings the joy of art and entertainment to the people in our community who are unable to attend public presentations due to physical and/or psychosocial disabilities, age, or economic consideration.

Arts In The Schools provides regional school children the opportunity to experience art in their classrooms, on display and on stage.

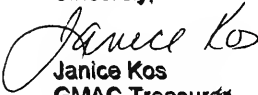

ARTWALK: In May, downtown Keene is turned into a storefront gallery for the community where regional artists display their work in this juried showcase.

Art Heroes is a special exhibit which features the creativity and imagination of people who incorporate art into their everyday lives.

We are dedicated to representing and promoting the arts and arts education throughout the Monadnock Region.

Thank you again for your support of the Grand Monadnock Arts Council and its work in the bringing the arts to children in the Monadnock Region.

Sincerely,

Janice Kos
GMAC Treasurer

**Camp Holiday
P.O. Box 224
Keene, NH 03431
603-357-7575**

To: Harrisville Board of Selectmen
Fr: Bill Grant, Camp Holiday
Re: 1999 Warrant Article

On behalf of the Camp Holiday Board of Directors, I would like to ask for a warrant article on the 1999 Budget in the amount of \$500 to support the Camp Holiday Scholarship Fund. The money appropriated by the town of Harrisville is awarded to children from Harrisville who attend our camp.

Camp Holiday will celebrate its 45th year of service in 1999. Each year, we provide 360 slots for children ages 3 to 15, primarily those classified with physical or emotional special needs.

Please forward this request to the appropriate member(s) of the Budget Committee. I may be reached, afternoons, at 357-7575, and will be happy to provide any further financial or operational information on Camp Holiday.

Thank you for considering this request.

Sincerely,

A handwritten signature in cursive script that reads "Bill Grant".

William A. Grant
Executive Director

MARL-HARRIS was toned a total of 164 times in 1998: we responded to 19 MVA's, 1 Fire-standby, 1 skateboard accident, 1 Hazardous materials incident, 1 logging accident with patient transported to Mary Hitchcock Hospital by DART. We also participated in 2 drills with the Fire Department, and went to the Marlborough Elementary School to provide 2 drills/demonstrations stressing bicycle safety particularly regarding helmet use.

We gained 6 new members this year: First responders, Alison Woods-Baker, Heather King, Laurie Rivers: EMT's Eric Hood and Christopher Batchelder : and Donna Trudelle as a non-medical member. Dawn Emerson also completed the First Responder course. 4 members, Matt Lincoln, Phylis Manning, JD Morse, and Bob Trudelle became EMT-INTERMEDIATES just as the year ended: this provides you with more people with advanced skills. Congratulations!

We sponsored an EMS school in March not only for our members but also for ambulance attendants from other squads. We are currently running an EMT class attended by 6 of our members as well as 14 others. We are attempting to provide in-house training for our members as much as possible to reduce the cost of training. Supply costs also are rising and we must shortly consider a new ambulance.

Your generous supports allows us to continue to provide you with care without tax dollars. In attempting to determine our cost per run, rough figures would be approximately \$80.00 for a medical response: \$ 100.00 for a cardiac call and \$ 120.00 for a trauma call. These figures represent ambulance costs, maintenance costs, supplies, and training

We appreciate the moneys given to us by the Ice Fishing Derby organized by John Fletcher and that received from the Lions Club supper named in honor of Mr. Bemis and Mr. Dumont, both extremely important founding members.

Daytime coverage is still an issue: anyone interested in joining the squad is invited to call any of our members.

Sincerely yours,

James Bleau, President/Chief

HISTORIC HARRISVILLE

REPORT FOR 1998

In 1998 we were presented with an exciting challenge when Filtrine Manufacturing Company offered to sell us the former Cheshire Mills. Our Trustees believed this was a remarkable opportunity that would have far reaching implications for preservation in the village and we signed a purchase and sales agreement with Filtrine on October 14, 1998. We expect to close on the property in the spring of 1999.

The Filtrine project is the most ambitious one that Historic Harrisville has embarked on since the organization was founded in 1971 and an extraordinary financial challenge. The mill purchase is the focus of our annual appeals for 1998 and 1999 and we have set a goal to raise \$500,000. Our fundraising efforts are going well and we are on our way to meeting this goal. We are grateful for the generous support of our friends and neighbors. We hope as many people as possible will become actively involved with this effort and we welcome your ideas of how we should use the buildings.

The archives committee has scheduled regular hours for the public on Tuesday mornings for 9:00-12:00 or by appointment. We have a growing collection of videos thanks to the efforts of Ralph Bemis and Max Boyd that includes interviews with Bill Bemis, Floppy Tolman, Dick & Mary Upton, the 1990 Cheshire Mills Reunion and the November 1998 Future Search meeting.

Historic Harrisville is a public, non-profit foundation that welcomes anyone to join us in our work. If you are not on our mailing list and wish to be, please drop us a note at Box 79 or call 827-3722. Our meetings are usually held on the last Saturday of April and October and everyone is invited to attend.

**HARRISVILLE SCHOOL DISTRICT
ANNUAL MEETING MINUTES
MARCH 4, 1998**

**ELECTION OF SCHOOL DISTRICT OFFICIALS
MARCH 10, 1998**

Place of Meeting: Wells Memorial School
Time of Meeting: 7:00 p.m.

ARTICLE 1: I move that the District receive the reports of agents, auditors, committees, or officers chosen as printed in the annual report.

A motion was made by Robert Kingsbury, seconded by Alton Chamberlain, to accept the report as read. Passed.

ARTICLE 2: I move that the District vote to accept and be bound by the financial provisions of a three-year collective bargaining agreement between the Harrisville Education Association and the Harrisville School Board which calls for the following increases in salaries and benefits: Twelve Thousand Twenty (\$12,020.00) Dollars in 1998-1999; Fifteen Thousand One Hundred Fifty-One (\$15,151.00) Dollars in 1999-2000; and Fifteen Thousand Seven Hundred Seventy-Two (\$15,772.00) Dollars in 2000-2001; and further, to raise and appropriate the sum of Twelve Thousand Twenty (\$12,020.00) Dollars to fund the costs for the 1998-99 fiscal year.

A motion was made by Robert Kingsbury, seconded by Stell Snyder, to accept the article as read. Article passed by standing vote, 42-7.

ARTICLE 3: I move that the District raise and appropriate the sum of \$1,328,544 for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District.

A motion was made by Robert Kingsbury, seconded by Ranae O'Neil, to amend Article 3 as follows: Amendment #1: I move that the District raise and appropriate the sum of \$1,322,544 for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District.

The vote on Amendment #1 of Article 3. Passed.

The vote on Article 3 as amended: Article passed by standing vote, 49-2.

ARTICLE 4: I move that the District raise and appropriate the sum of One (\$1.00) Dollar for repair of the old schoolhouse and to authorize the withdrawal of said One (\$1.00) Dollar from the Capital Reserve Fund established by the voters of the District at the March 11, 1986 District Meeting for the purpose of financing construction or reconstruction of the building and grounds at the Wells Memorial School.

A motion was made by Robert Kingsbury, seconded by Jack Calhoun, to amend Article 4 as follows: Amendment #1: To raise and appropriate the sum of Twelve Thousand (\$12,000.00) Dollars instead of One (\$1.00) Dollar for the financing or reconstruction of the buildings and grounds at Wells Memorial School.

The vote on Amendment #1 of Article 4: Did not pass.

A motion was made by Robert Kingsbury, seconded by George Saunders, to amend Article 4 as follows: Amendment #2: I move that the District raise and appropriate the sum of Two Thousand (\$2,000.00) Dollars for repair of the old schoolhouse and to authorize the withdrawal of said Two Thousand (\$2,000.00) Dollars from the Capital Reserve Fund established by the voters of the District at the March 11, 1986 District Meeting for the purpose of financing construction or reconstruction of the buildings and grounds at Wells Memorial School.

The vote on Amendment #2 of Article 4: Passed.

The vote on Article 4, as amended: Passed.

ARTICLE 5: (By Petition) Shall we adopt the provisions of R.S.A. 40:13 to allow official ballot voting on all issues before the Harrisville School District?

For discussion purposes only. To be voted on School Election Day, March 10, 1998.

ARTICLE 6: I move that the meeting be adjourned.

A motion was made by Robert Kingsbury, seconded by Jack Calhoun, to recess until school election day Tuesday, March 10, 1998, at 11:00 a.m. Passed.

March 10, 1998 at 11:00 a.m.

ARTICLE 6: I move to call the Annual School District Meeting back into session (Michael Potter). Seconded by Sabrina McClure.

ARTICLE 5: Shall we adopt the provisions of R.S.A. 40:13 to allow official ballot voting on all issues before the Harrisville School District?

The vote by official ballot on March 10, 1998 is as follows:

Did not Pass, No - 144 to Yes - 87.

ARTICLE 1: To choose all necessary School District Officers:

- A member of the school board for the ensuing three years
- A moderator for the ensuing year
- A clerk for the ensuing year
- A treasurer from July 1, 1998 for the ensuing year
- An auditor for the ensuing year

MEMBER OF THE SCHOOL BOARD (3 YEARS)

Cameron Tease	215 votes
Mark Armstrong	1 vote
Warren Thayer	1 vote

DISTRICT TREASURER (1 YEAR)

Robert Kingsbury	216 votes
Mark Armstrong	1 vote
Max Boyd	1 vote
Sharon Driscoll	1 vote

AUDITOR (1 YEAR)

Donna Ganley	215 votes
John Stinchfield	1 vote

A motion was made to close voting polls at 8:30 p.m. Passed.

ARTICLE 4: A motion was made from the floor to adjourn Harrisville's Annual School District Meeting. Seconded by Sabrina McClure. Passed.

Respectfully Submitted,

Sabrina McClure
School District Clerk, 1997-1998

STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the school district in the Town of Harrisville qualified to vote in District affairs:

You are hereby notified to meet at the Wells Memorial School in said District on the 9th day of March, 1999, Eleven O'Clock in the forenoon to bring in your votes for the election of school district officers. The polls will be open at 11:00 a.m., nor close earlier than the time of closing the polls for the election of town officials.

ARTICLE 1. To choose all necessary school district officers:

A member of the school board for the ensuing three years
A moderator for the ensuing year
A clerk for the ensuing year
A treasurer from July 1, 1999, for the ensuing year
An auditor for the ensuing year

Given under our hands at said Harrisville, this 16th day of February, 1999.

Ranae S. O'Neil, Chair
Stell A. Snyder
Cameron M. Tease

STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the school district in the Town of Harrisville qualified to vote in District affairs:

You are hereby notified to meet at the Wells Memorial School in said District on the 3rd day of March, 1999, at 7:00 p.m. to act upon the following articles:

ARTICLE 1: To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.

ARTICLE 2: To see if the District will appropriate and authorize the School Board to transfer up to \$10,000.00 of its unencumbered funds, if any, remaining on hand at the end of fiscal year, June 30, 1999, to the Capital Reserve Fund established by the voters on March 11, 1986, for the purpose of financing construction or reconstruction of the building and grounds at Wells Memorial School, or to take any other action in relation thereto. *(The Harrisville School Board recommends approval of this Article.)*

ARTICLE 3: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District, or to take any other action in relation thereto. *(The Harrisville School Board recommends approval of the sum of \$1,367,267.00.)*

ARTICLE 4: To transact any other business which may legally come before this meeting.

Given under our hands at said Harrisville, this 10th day of February, 1999.

Ranae S. O'Neil, Chair
Stell A. Snyder
Cameron M. Tease

ADMINISTRATIVE REPORT

Excellence and commitment are words that immediately come to mind as I reflect on what has happened within the Harrisville School District during the last year. Changes within the staff, defining the focus or direction for the school, and community involvement are some of the factors that needed to be addressed as school personnel and community members worked toward continuous improvement and the promotion of quality education for Harrisville students.

Unlike past years, Wells Memorial staff turnover became an issue that produced change. After 14 years as teaching principal, Mrs. Dorothy Frazier left Wells Memorial to accept a position at Benjamin Franklin School in Keene. I am sure Mrs. Frazier left this position with many positive memories of her interactions and relationships with students, teachers, parents and community members. This vacancy prompted the formation of a community-wide committee which was given the task of selecting a new teaching principal to be an effective classroom teacher and to provide the leadership needed to move the school forward. The committee was very fortunate to recruit and hire Mr. David Lesser for this position. Mr. Lesser assumed his position during the summer and immediately found a number of challenges to be resolved. One challenge was to hire other staff members to fill vacancies that had occurred in the late spring and early summer. Another was to clarify role responsibility; that is, who is responsible for doing what. Adjusting to new procedures was another challenge that was part of Mr. Lesser's transition to Wells Memorial. Cooperation and assistance from the staff, school board and community members provided the support that was needed to make Mr. Lesser's transition a successful one.

A factor that has also contributed to a successful transition is the focus on excellence that has become characteristic of the Harrisville School District. Over the years, the Harrisville School Board and community have challenged themselves to answer difficult questions related to quality, effectiveness and accountability. The work of the Excellence Committee is yet one more example of this. This community-based committee has submitted a comprehensive report that identifies existing strengths, as well as establishes direction (in the form of recommendations) for the future. The work of this committee received enthusiastic support and approval from the Harrisville School Board. One recommendation, which has resulted in substantive follow-up, relates to the development of a mission statement for Wells Memorial School. A committee representing school and community members is nearing completion of such a statement.

The working relationship between the school board and staff is another factor that has contributed to a successful transition and positive year. The staff, school board, Assistant Superintendent and Superintendent of Schools met over the summer to deal with issues that needed to be addressed to ensure continuity, to promote effective communication, and to establish goals for the year. This provided an opportunity to not only deal with specific issues and establish priorities, but also to enhance an understanding of each other's role and responsibility. The time and energy devoted to this has proven very beneficial.

The staff's dedication and commitment to making this year a positive one is commendable. The time devoted to school-wide planning, professional development, curriculum work, and school safety and security has contributed to a productive and positive learning environment for students. Wells Memorial

teachers continue to participate in SAU 29 committees and activities which focus on: (1) professional training (in the areas of effective teaching practices, learning styles, behavior management, school safety, and technology) and recertification standards and procedures; (2) revision to curriculum that will ensure what we are teaching students is in alignment with what students are being tested on in the state-mandated testing program, and that the subject matter is challenging students to perform at higher levels; and (3) the development and implementation of practices and procedures that improve the safety and security of all personnel in our schools.

The Harrisville School Board continues to monitor student performance of Harrisville students at Keene Middle School and Keene High School. The annual review of student performance with respect to standardized testing, classroom performance, attendance, and participation in co-curricular activities has shown again this year that Harrisville students do very well. This is especially true of Harrisville students at Keene High School whose grade point average is at or above the average for all Keene High School students in math, science, English, social studies, and foreign language. It also should be noted that the salutatorian of last year's graduating class was Hannah Jacobs, a Harrisville student.

The Harrisville community should be extremely proud of what has been accomplished this year. A highly committed and dedicated staff has worked together to adjust to the change in leadership at the school and new role expectations. An extremely involved community has helped select a new teaching principal, identified steps to be taken to achieve excellence, and developed a vision for the school which will help school officials to establish future goals. This level of involvement and support is vital to a successful school system. I urge you to remain (or become, whichever the case may be) involved and supportive of school events and activities. Please plan to attend the annual school district meeting on Wednesday, March 3, at 7:00 p.m.

Phillip G. McCormack, Ed.D.
Superintendent of Schools

COMPLIANCE STATEMENT

This school district receives federal financial assistance. In order to continue receiving such federal financial assistance, this school district will not discriminate in their educational programs, activities or employment practices on the basis of race, language, sex, age, or handicapping condition, under the provisions of Title IX of the 1972 Educational Amendments; Section 504 of the Rehabilitation Act of 1973.

Complaints regarding compliance with Title IX regulations should be submitted in writing to the Title IX liaison for School Administrative Unit 29, the Personnel Manager, 34 West Street, Keene, New Hampshire.

Complaints regarding compliance with Rehabilitation Act of 1973 - Section 504 should be submitted in writing to the Director of Special Education, 34 West Street, Keene, New Hampshire.

*Phillip G. McCormack, Ed.D.
Superintendent of Schools*

PRINCIPAL'S REPORT

Let me begin by writing how much I am enjoying learning about the community of Harrisville. Since I have begun my job here in September, I have met many of you through school functions and community activities and I am impressed with the high level of time and effort committed to improving the quality of life in Harrisville.

At this time, Wells Memorial School has an enrollment of 82 students, a very similar number to last year's enrollment of 80. The breakdown of numbers, by grade level, is as follows:

Kindergarten	9	Grade 3	15	Grade 5	12
Grade 1	12	Grade 4	10	Grade 6	12
Grade 2	12				

We have five homerooms, four of which reflect the model of multi-age grouping. There are: a half-day morning kindergarten taught by Mrs. Hartshorne, two primary classrooms (multi-age grades 1, 2 and 3) taught by Mrs. Swope and Ms. Yardley, and two intermediate classrooms (multi-age grades 4, 5 and 6) taught by Mrs. Frick, Ms. Starkey and myself. In each case, we practice an inclusionary model of special education services. This means that, between our special education teacher (Ms. Dowling) and aides, all students remain in their classroom most of the day for any needed extra help. We are proud of our ability to meet students' needs and yet honor the importance of them being with their peers.

Wells Memorial School continues to proudly offer all grades an intensive Spanish program taught by Senora Patty Wheeler. Most students in the building can sing, converse and understand Spanish in many remarkable ways. All research indicates that learning a second language before the age of 12 is much more beneficial to lifelong language acquisition than starting at a later age. Our students are the living testimony to this!

Last year the Harrisville Excellence in Education Committee was formed to look at the current WMS programs and make recommendations to help chart the school's future course. Based upon the school board's recommendations, a subcommittee was formed to create a mission statement and outcome goals for the current school year. The group included representatives from the staff, parents, school board and community. I'm happy to report that, as of the date of the annual school district meeting, we will have a mission statement and goals to share with the community. We hope to publish these in February to gather feedback before final school board approval.

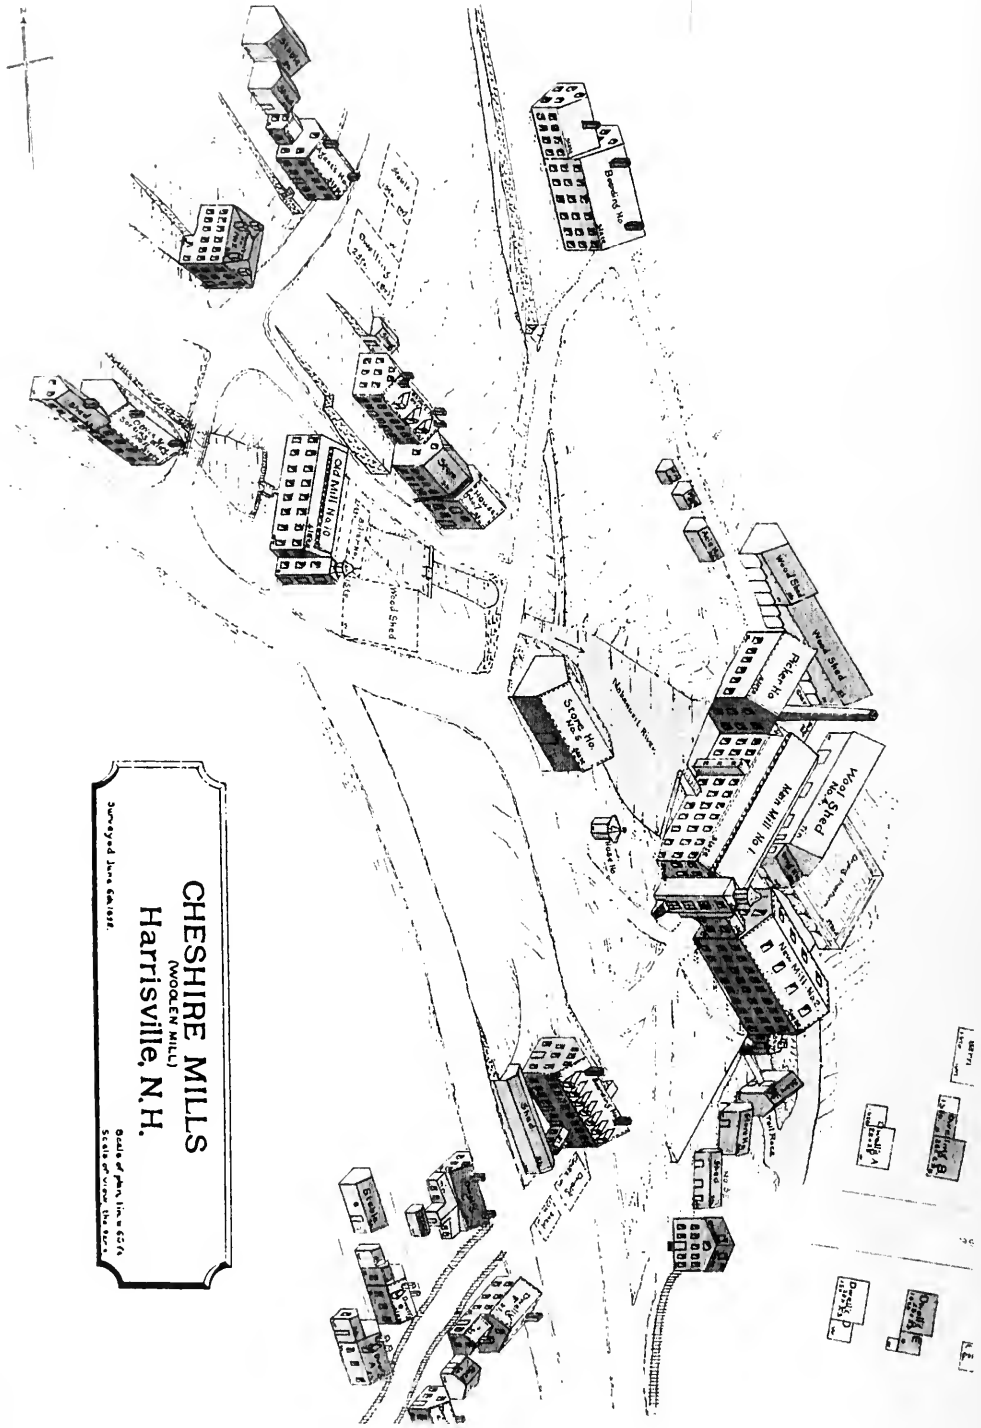

The entire school population participated in a semester-long theme unit on Abenaki culture. Groups learned songs, dances, stories and we even began construction on a wigwam behind the building. The culminating event in November was a day and evening open house where students demonstrated what they had learned. We had literally hundreds of parents and community members joining in the celebration. We hope to do another school-wide theme during the last quarter of the year.

Since there are many of you that have not yet met me, I encourage you to stop by the school and introduce yourself. I have gotten to know many of the youth and their families in Harrisville, but I know there are many of you out there with valuable talents and interests to bring to WMS. We want to try to include you in our school community. It does take a whole community to raise children, and I know that you have all contributed to what Harrisville is today.

David Lesser
Teaching Principal
